Dear Sir or Madam,

Two days ago,
I purchased your "Feather

Lisa Frank

Weight Polly's Pastels - The Therapeutic Perch," size Baby Medium - Parakeet. I appreciate the safe color, non-toxic, and nail trimming features. I like something safe for my bird.

I also chose your product because it is a high-quality, American product. I prefer American products because they tend to be higher quality, and because they keep jobs in America. Please keep making your products in the United States

Lisa Frank

of America.

Thank-you again,

Sarah
